

Durango Police Department

Subject: Private Property Enforcement Letter

Private Property Owner/Manager:

The Durango Police Department can enforce certain violations of State Statutes and City Ordinances occurring on private property without the owner/manager being present by having a letter on file with the Durango Police Department. Examples of these ordinances are trespassing on private property or littering on private property.

Ordinance(s) or law(s) to be enforced: _____

By completing this agreement, you will be entering into an enforcement action plan during normal and after-hour business hours, and should the need arise, be willing to testify in court. This letter authorizing enforcement action will expire _____, or one year after entering into this agreement.

"I _____, doing business as _____
